

MERRYVALE NAPA VALLEY PROFILE 2021

A broad, generous, full-bodied and well-saturated red made from 80% cabernet sauvignon and 20% cabernet franc this year. Blended from the best barrels of estate-grown wines in the Merryvale cellar. Tempting to drink now for its black cherries and dark chocolate, but it will surely gain more complexity and smoothness with time. Drinkable now, but best from 2030.
