## MERRYVALE

Profile Napa Valley 2019

A lush, dark and slow-moving wine, offering a steady wave of mulled black currant and steeped blackberry flavors, with roasted vanilla, loam and tobacco leaf notes. The muscular finish is a touch stolid now, but there's depth. This is worth cellaring to let the Cab Franc component unwind a bit more. Cabernet Sauvignon and Cabernet Franc. Best from 2023 through 2036. 823 cases made. (Nov 15, 2022)
