

STARMONT

VINEYARDS

2021 Chardonnay

From the time Starmont first appeared on a label in 1989, the name has been recognized for classically styled varietal wines that are expressive and approachable. Now, over 30 years later, led by the Schlatter Family and Winemaker Jeff Crawford, Starmont is producing some of their best wines ever as part of the Merryvale Family of Wines.

Wine Notes

Starmont Chardonnay is crafted to enjoy with food or simply by the glass. Our aim is to retain the focus on the unique Chardonnay fruit expression from some of California's top cool climate winegrowing regions. Aromas of Citrus notes of lemon zest with apricot stone fruit exude from the glass, the florality of white rose and slight herbal character of lemon grass all combine to create an extremely complex nose. On the palate the wine is generous with a creamy mid-palate pointing to the sur lie ageing, but the cool climate growing regions are showcased with fresh acidity that leaves a crisp, lingering finish. A beautiful and well-balanced Chardonnay.
