

YINEPAIR

94

**Starmont Cabernet Sauvignon  
2021**

**POINTS**

Winemaker Jeff Crawford sources grapes from across the cool climate AVAs of northern California. His goal is to make classically styled Cali wines that show a sense of place. This North Coast Cab achieves exactly that. It has aromas of tart berry fruits and pepper, and the palate offers more bright fruit notes expertly woven tannins. This wine is such a joy to sit with and sip.
