Joseph Mellot Pouilly-Fumé Le Troncsec 2023

There's impressive harmony to this fresh and attractive white, which offers silky layers of stone fruit and herbs, plus nice white grapefruit pithiness for contrast. Pure and direct, with cool stone minerality lining the finish. Drink now through 2027. 6,400 cases made, 1,000 cases imported.

Primary Grape

Sauvignon Blanc

Sauvignon Blanc is historically connected to two French winemaking regions: the Loire Valley and Bordeaux. It most likely originated in the former, which today still makes single-variety expressions to global acclaim. In Bordeaux, where the grape's roots also run centuries deep, winemakers blend Sauvignon Blanc with Sémillon and small percentages of Muscadelle for dry whites and, in the Sauternes and Barsac appellations, world-renowned botrytized dessert wines.
