A lush version, with citrus and lychee woven with bitter green herb and chalky mineral notes. Geranium highlights augment the aromatic profile, while the palate is juicy and friendly. Drink now. 9,000 cases made, 4,000 cases imported.

## Primary Grape

### Sauvignon Blanc

Sauvignon Blanc is historically connected to two French winemaking regions: the Loire Valley and Bordeaux. It most likely originated in the former, which today still makes single-variety expressions to global acclaim. In Bordeaux, where the grape's roots also run centuries deep, winemakers blend Sauvignon Blanc with Sémillon and small percentages of Muscadelle for dry whites and, in the Sauternes and Barsac appellations, world-renowned botrytized dessert wines.
