2022 Pinot Noir
Sonoma Coast

“This plush, rich, and deeply intense Pinot Noir has a solid core of wet slate minerality that keeps the dark mulberry, cherry, and raspberry fruit buoyant and expressive. A firm spine of lacy acidity weaves seamlessly through the succulent fruit. At the same time, the expressive finish features baking spices mingled with rose petal and violet notes, showcasing impressive length and complexity—a beautifully balanced and layered Pinot Noir, offering richness and tension in equal measure.”
