## VINEYARDS

2023 Pinot Noir  
Sonoma Coast

Decanter

“...the wine reveals intriguing notes of smoked paprika, blood orange, and apricot, complemented by grapefruit zest and rich cedar spices. A hint of clove and incense adds depth and complexity. Medium-bodied with pure fruit character, it features fine-grained, velvety tannins that carry through to a long finish highlighted by espresso bean and cocoa nib notes. This vintage showcases a harmonious balance of freshness, texture, and complexity, making it an impressive expression of Sonoma Coast Pinot Noir.”
