An energetic nose offers white peach, apple flesh, quince, white nectarine, wisteria and almond paste, precise from the first sniff. The palate reflects that same energy, linear and taut, drawing out fine chalky minerality that weaves through white pear and grapefruit pith. There is plenty of coiled energy here that has yet to unfold. **— Anna-Christina Cabrales**

An energetic nose offers white peach, yellow and mirabelle plums, set atop a chiseled layer of chalk and wet limestone. Round in the mouth and balanced by crisp acidity, it carries an endless soft chalkiness through the finish. Delicious, and a great way to kick off any event. **— Anna-Christina Cabrales**
